

“The Dark Side of History”

A workshop by Linda Lacour Hobar

History - be it world, American, or Bible - has a dark side, laced with stories of despair, destruction, and death. But, as a “thin-veiled” subject, it lends itself to prompting some of life’s deepest questions! While we may struggle with the answers, we can lead our students to God’s Word for the best biblical answers this side of heaven. The following are sample questions to ask when *you* study history with examples of Biblical answers. I pray that you and your students search God’s Word together for wisdom, guidance, and assurance when you encounter “The Dark Side of History!” For the Sake of the Mystery, Linda Lacour Hobar
